## 20 Years of Charm, Quality and Imagination

This year marks our 20<sup>th</sup> anniversary, and we're celebrating with a catalogue packed with familiar favourites and new friends, plus a dedicated section for our Christmas range.

Here you'll meet the whole DCUK family, from our iconic Natural Ducks and Ducklets to modern classics in Spotty Welly Boots, Flowers and Raincoats, to bestselling Cyclists, Garden Birds and foraging Wild Strawberry Ducks.

There's something for everyone, from Key Workers and Gardeners to Bakers and Beekeepers, and you're sure to spot our expertly-painted British Flower Ducklings, inspired by Devon hedgerows.

We're embracing all the seasons (not just the rainy ones!) with fun Coastal Wild Wellies and adorable baby Pufflings, as well as the woodland-themed Toadstool Folk, Autumn Ducklings and spooky Halloween characters.

Christmas is looking delicious, whether it's home or away. Our Christmas Bakers are keeping things traditional, along with fan-favourites Rudolph, Santa, Nigel, and the Ducky Elves. For birds of a different feather, it's an Alpine Christmas, in sophisticated silver, Nordic Blush and new cool-as-a-cucumber Alpine Fresh.

If you're looking for romance, our wedding collection has the big day covered, right down to the Dinky Duck cake toppers.

Twenty years since our first duck, our passion for creating beautifully crafted characters that make people smile is stronger than ever. Looking back on all the friends we've made, we want to thank you for being part of the adventure. It really has been a quacking couple of decades.

*Team DCUK*

# The DCUK Pin

## A mark of exceptional quality and irrepressible personality

Every day, all over the world, our ducks make people smile. In letters and emails, on social media and by phone, people tell us that a carved creation with wide eyes and welly boots has found its way into their hearts.

But how can customers be sure that a Duck or Feathered Friend is the genuine article and avoid later disappointment? The DCUK Pin is a badge of honour and our promise that every gift is:

### Handmade:

We carve and paint every character individually.

### Sustainable:

Every Duck and Feathered Friend is made from earth-kind bamboo.

### Named individually:

When you find the right name you just know.

Whenever someone sees the DCUK Pin, they can be confident it's a bird of distinction; raised to charm and delight.

# Why DCUK?

We support all our retail partners through our friendly, strong, and successful brand reputation.

# DCUK brand benefits

Every day, all over the world, our characters make people smile.

In letters and emails, on social media, and by phone – people tell us that a hand carved bamboo root creation with wide eyes and oodles of personality has found its way into their hearts.

If you're a current stockist, then you'll already know that DCUK originals are a wonderful addition to any retail listing.

Popular, distinctive, and eye-catching – DCUK is a 'window display friendly' brand, often attracting people to come inside. Trade customers also tell us that our characters encourage shoppers to browse areas in-store, and they work well with other giftware brands.

As a brand, we regularly send engaging emails to a passionate fanbase of over 90,000 customers and collectors, which we know drives interest and sales for our trade partners.

These brand activities are often timed to work alongside latest retail trends, to help maximise the impact for anyone selling our current range.

We've also set up a stockist map online, which helps shoppers find friendly DCUK sellers that are local to them. This is completely **FREE** as a benefit of being a DCUK stockist – and really helps to maintain a strong connection to the wholesale side of our business.

# Take your merchandising to the next level

We're really excited by the recent success of our free-standing display units, created especially for storing, promoting and selling our pre-boxed Dinky Duck ranges.

While stocks last, you can ask to receive an eye-catching free standing display unit (FSDU) with any new orders for packs of Dinky Ducks. Each unit holds up to 60 Dinky Ducks – and can really help increase your sales of those ranges.

We've also got header boards for each range. Standing at 1.5m tall, each specially designed storage stand offers an ideal way to make our characters even more accessible to purchase as self-contained gifts or treats.

# Support & inspiration

Our ducks are great communicators, but they can find it difficult to be heard in busy or crowded places, or from the back of a high shelf! Our ducks speak to customers best when they can make eye contact and share a bit of their story.

DCUK aims to make people smile by creating an atmosphere infused with our values of charm, quality and imagination. Each of our ducks has a rich story with the power to transform a wooden object into a member of the family.

When we exhibit our new collections we let our imaginations run wild and thoroughly enjoy creating miniature worlds for our ducks.

We invite you to do the same. A glitter ball beside the Disco Ducks, a nesting box with a Garden Bird perched on its roof... whatever story you wish to tell, you'll find a duck family that will chime with your customer.

## Point of sale

To make setting the scene easy, we offer a range of point of sale materials to choose from. You may want to highlight the craftsmanship that goes into DCUK characters, or the playful nature of the brand.

We've introduced dedicated cardboard display stands for our Dinky Ducks, with several other display support items in development. Please ask us for details.

# Personalise me

Every DCUK character is a true individual and we give each one a carefully selected DCUK name and name tag.

But we know that some customers are looking for a specific name. So you can help them, and avoid missing out on a sale, our name tag personalisation service is now **FREE**.

When they get home, customers can visit a dedicated webpage, confirm their address and chosen name and we'll send the new name tag off to them.

[dcuk.com/newname](http://dcuk.com/newname)

We can share marketing ideas, and provide dedicated point of sale to help you promote this personalised customer service.

Please get in touch to find out more about this new **FREE** service.  
(Free name tags are only available to UK-based stockists)

# Trade Duckumentaries

It's great to get so much positive feedback about DCUK from shoppers, retail buyers, and business owners. For a long time we kept many of these compliments quiet. Maybe we're modest but doing our best to get everything right is just what we do.

Now we're in our twenties we appreciate that Team DCUK is a family that includes our customers, partners and peers. Our success is yours, and we can confidently tell everyone about our strong, engaging and customer-focused brand.

But don't just take our word for it.

We're proud to say that our retail partners (and trade customers) are just as enthusiastic and passionate about our original DCUK characters as we are.

Part of our ongoing support for stockists has been the creation of some Trade Duckumentaries. These interviews offer quick examples of what it's really like to work with us, as well as highlighting the many benefits of listing DCUK as a partner brand.
